

THE AGSTAR CENTER FOR EDUCATION,
DEVELOPMENT, GROWTH & EXPERTISE

DON'T LET TECHNOLOGY OVERWHELM YOU.

Attend AgStar's 2017 *Technoledge* Conference on
January 19, 2017 at the Mankato Verizon Wireless Center

The 2017 *Technoledge* Conference offers:

- **Experts who can provide overviews and answer your questions** about currently technologies as well as what's in store for the future
- The opportunity to **meet other farmers** who are facing similar challenges when it comes to technology
- **No sales pitches** – The 2017 *Technoledge* Conference is strictly a time to gain information that can help you be more successful
