

PRESENTS

Regional Workforce Strategies: **PARTNERSHIP AND TOOLS**

REGIONAL WORKFORCE STRATEGIES

Attend one or all four!

Please join AgriGrowth and partners at one or more of our four Regional Workforce Sessions and learn about strategies and labor tools already being used to attract, recruit and retain talent, with an emphasis on agriculture and manufacturing.

This half-day workshop will provide access to:

- Organizations already employing innovative labor tools and strategies
- Relevant content through a series of brief workshops
- Direct access to labor market tools
- Opportunity to talk with professional from:
 - MN Department of Labor & Industry
 - University of Minnesota CFANS Career Services
 - MN State Colleges and Universities Career and Employment Services
 - WorkFountain, the AgriGrowth Job Exchange software developer
 - RealTime Talent & WorkFountain leadership and staff

WHO SHOULD PARTICIPATE:

Business leaders, hiring managers, HR professionals, operations managers, career services & faculty

June 8, Mankato -- June 27, Detroit Lakes -- July 18, St. Cloud -- July 19, Twin Cities

WORKSHOPS:

- **Leveraging the Innovative Online Job Exchange Platform**
