Request for Funding
Faculty Professional Development

Name of College:

Name of Faculty Member(s):

Name of Professional Development Event:

Date of Event:

Anticipated Length of Event:

Event Focus/Purpose:

Anticipated Professional Outcomes:

How can you bring what you have learned back to support AgCentric Partners and mission?

Budget and Funding Support (budget detail should include all aspects of funding with total costs included as well as specific amount requested).

Please print the homepage for the site or conference agenda or web address to conference.

Requested Funds from AgCentric:

The funding support requested from AgCentric must align with the purpose and mission of building career pathways within the agricultural industry.

AgCentric Deans will evaluate each proposal against criteria below and determine how the funding should be allocated. It is the intent of the staff to distribute the funding as broadly as possible. It is unlikely that one college will receive a very high percentage of the available funding even if the college submits multiple events.

Points	Criteria
50	How does this fit the mission of AgCentric of agricultural career pathways.
15	How will the participant use the knowledge gained to engage AgCentric Partners.(what value is there for partners from this experience)
5	How will this training engage non-traditional students in AgCentric Programs.
20	Relationship of experience to secondary and industry partners.
10	Plan for gaining media coverage

Due date: 30 Days prior to event.

Send to Keith Olander kolander@clcmn.edu and copy your respective Dean when applying.
