

# Farm Business Management Scholarship

The Minnesota Agricultural Water Quality Certification Program is providing scholarships for certified producers enrolled in the Farm Business Management Program.

- Must be MN Agricultural Water Quality Certified.
- Scholarship award of \$140 per credit for new students in their first and second semester and \$90 per credit for returning students beyond their second semester.
- Contact a [Farm Business Management instructor](#) to apply for the scholarship.
- For more information please visit the Minnesota Agricultural Water Quality Certification Program [website](#).

Want to learn more about becoming Water Quality Certified? Visit [MyLandMyLegacy.com](http://MyLandMyLegacy.com) or contact your local Soil and Water Conservation District.
